

Perspectives: To change or not to change?

This chart can be helpful in exploring both the benefit (+) of changing or not changing, as well as the risks (-) associated with changing or staying the same.

| Change | |
|--|--|
| + What's to be gained by changing? | - What's at risk if things change? |
| | |
| No Change | |
| + What's to be gained by keeping things as they are? | - What's at risk if things stay as they are? |
| | |
